

INFO: This Privacy Policy, in compliance with GDPR (Regulation EU 679/2016) and with D.Lgs.196/2003 (Codice della Privacy), describes how your personal information is collected, used, and shared when you visit our website.

Personal information collected

When you visit the Site, we automatically collect certain information about your device, including information about your web browser, IP address, time zone. Additionally, as you browse the Site, we collect your domain name and URI (Uniform Resource Identifier).

We may also collect data that you willingly sends us, such as your mail address and the information contained within your communication.

This site does not use cookies.

Purposes and legal basis of data processing

We use the technical data we collect in order to publish, maintain and manage our website. We may use your mail address to respond to your inquiries. The legal basis of the data processing is our legitimate interest to publish and manage our website.

Processing methods and data retention

We may process your data both manually and automatically; we'll keep your data as long as it's relevant to the purposes outlined in the above paragraph, and for no longer than 6 month one the purposes are achieved. Except for the technical data required to access the site, the user is free to send, or avoid sending, any additional information.

Sharing of your personal data

Your personal data will not be publicly shared. It may be sent to our contractors who help us manage the website.

Data subject's rights

As a data subject you have the right to request from the controller access to and rectification or erasure of personal data or restriction of processing concerning the data subject or to object to processing as well as the right to data portability. You also have the right to lodge a complaint with a supervisory authority (in Italy, the Garante per la protezione dei dati personali).

Data controller

ITAI S.p.A. (C.F. 00760740167 and P.IVA 00760740167, located in Grassobbio (BG), 24050 - Via Enrico Fermi 30, contacts: info@itaispa.com) is the data controller of the personal information collected through this website.
